BioCare®

Children's Complete Complex

- Helpful to support nutritional requirements of growing children
- Contains vitamin D which is needed for normal growth and development of bone in children
- Iodine contributes to the normal growth of children
- Suitable for vegetarians and vegans

Directions: Take daily with food as indicated or as professionally directed.

From 6 months - 1 year - Half a teaspoon (approximately 2.5g), 1 - 5 years - One level teaspoon (approximately 5g), 5 years onwards - Two level teaspoons (approximately 10g). Can be mixed into water, milk or juice to take alongside food, or sprinkled directly onto food.

This product should not be used as a substitute for a varied and balanced diet and healthy lifestyle. Do not exceed the stated recommended daily intake. Do not purchase if the seal is broken. If you are under medical supervision, please consult a doctor before use.

Long term intakes of amounts greater than 10mg of vitamin B6 daily may lead to mild tingling and numbness.

Store below 25°C in a dry place away from direct sunlight and heat.

Keep out of reach of children.
